

Georgia Department of Natural Resources
2019 NRA Shotgun Coach Level 1 Training Schedule

The Georgia Department of Natural Resources, working with host schools, will be offering three NRA Level 1 Shotgun Coach courses in 2019. The information presented below provides the details for each of the four courses.

To pre-register for a course, please contact the host listed for the specific course; once the course has met full capacity or the cut-off date is reached, participants will receive an email from Caleb Griner, DNR Hunting and Shooting Education Specialist, with further instructions.

Please provide the contact at the host school with the following information to preregister: Name, School, Phone Number, and Email Address.

All courses must have at least 15 registered participants by the cut-off date or the course will be canceled.

A \$50 registration fee will be paid by each participant to the host school. The fee should be paid to the host school prior to the date of the course; payment information is included with the details listed for each course. Lunch will be provided on both days of each course by the host school.
