Please judge the student on their singing and sight-reading abilities only. If there are any other special music needs or concerns you may have, please let us know. We will try to choose at least three (3) students from each school, but we must make an effort to keep balance and blend.

Director Responsibility

Directors are **REQUIRED** to attend if they have students participating. We will need EVERYONE to assist with things throughout the weekend. Please do NOT send a parent or faculty member as your representative (unless there is an unavoidable conflict). This is a great opportunity to learn from clinicians, see your students succeed in a large group ensemble, and make connections with other choral directors in the area. We will provide a hospitality room for you to work and rest, but we also very much encourage you to be an active part of your students' experience here at the Middle School All-Select.
